Welcome to the Soldier's Training Homepage which provides you access to a wealth of training information, documents and products while you're at home, working in the unit, attending initial entry or professional development training at Army schools and institutions. For enlisted soldiers, you can tailor your homepage as a rucksack adding those tasks that you access frequently. You can also view your career map and track your progress towards achieving the next rank (SGT, SSG) with our promotion point worksheet. Access is easy using your AKO userid and password.

 Check out the latest product releases under the What's Hot! link in the Alerts Portlet of your training homepage.

Downloading the Read Ahead Material

There are two formats. Download either the

- four AGCCC PHASE 2 files or
- ten TATS 7-12-C23 (DL) PHASE 2 files.

Either way, it is the same material.

The RDL supports several different file download formats. If you are uncertain how to download a file or what viewer is needed, consult the Download Instructions.

Closing Comments

- You may experience problems with downloading and taking the exam due to system or internet problems. Take a deep breath, get another soda, and try again.
- Because of connectivity problems, recommend you print a paper copy of your exam answers until you get your grade.
- If you are having access or password problems contact the help desk at (757) 878-2169 /3335 or DSN 826-2169/3335. sectionb@atsc.army.mil
 - Make a note or screen print of exactly what is on the screen
- If you have not enrolled, contact your unit ATRRS manager (non-unit personnel contact your PMO).
